United States Court of Appeals for the Federal Circuit

GS CLEANTECH CORPORATION,
Plaintiff-Cross-Appellant

v.

ADKINS ENERGY LLC,
Defendant-Appellant

2016-2231, 2017-1838

Appeals from the United States District Court for the Northern District of Illinois in No. 1:10-cv-04391, Judge Larry J. McKinney.

O R D E R

The above-captioned appeals appear to be related.*

The court also notes that it appears a motion for reconsideration at the district court remains pending.

---

* The notice of cross-appeal indicates that the cross-appeal is also filed on behalf of "Greenshift Corp." The district court docket does not identify a plaintiff Greenshift Corp. and thus we have not added it to the caption. The cross-appellant may respond if there is disagreement about the caption.

Accordingly,

IT IS ORDERED THAT:

(1) The appeals are consolidated, and 2017-1838 shall be designated as a cross-appeal. The revised official caption is reflected above.

(2) The appeals are deactivated, and the briefing schedule is stayed pending the district court's ruling on the motion for reconsideration. Within seven days of the district court's ruling, the parties are directed to inform this court how they believe these appeals should proceed.
